FISCAL YEAR: From January 1, 2011 to December 31, 2011

1. Complete a brief statement on the 2011 proposed Annual Budget and make comparison to the current year's adopted budget. Explain significant increases or decreases, if any.

2011 FIRE DISTRICT BUDGET

If you are preparing this workbook WITHOUT having the Instructions and Reference Guide Documents with you as you complete it, STOP and get them and consult them page by page as you complete the budget

In addition, preparers should note the following as they complete this workbook:

1. Complete the SS pages first - the worksheet has been programmed to reflect totals on many of the budget sheets.
2. The "LC" pages - the Property Tax Levy Calculation pages simplify data entry by having the user enter most data on support pages and some from this sheet. By filling in the cells below on this page, each worksheet will reflect the information and automatically calculate the formulas on each individual worksheet.
3. The individual LC worksheets (tabs) are locked to protect the formulas.
4. Fill in only the green sections on **this** worksheet. All fields on the other LC sheets should be filled in automatically
5. Worksheets refer to "Adopted budget" (current year) and "Proposed budget" for the year for which the budget is being prepared.
- 6. Refer to the Budget Instructions and Reference Guide when completing all worksheet pages. They contain important information and explanations about the sheets and how they work. DO NOT prepare the budget without reviewing them carefully**

**7. Next, follow the instructions below:**

Select the fire district (and county) by clicking the green cell below, then click on the arrow on the right side to choose. This will populate the name and county throughout the workbook. Then continue to complete each of the following green cells.
