---

The Dennis Township Fire District #2 budget for the year ending December 31, 2015 has been approved and is being mailed back to the district. The district may proceed with adoption of the budget as scheduled for December 2, 2015.

During the budget examination process, it was noted that the district did not include e-mail addresses in its contact information for those charged with management/supervision of the district. This is required to be included on the website by statute. Please add an e-mail address where the district can be contacted on the website before the adopted budget is submitted to the Division.

Also, during the budget examination process, it was noted that there was an error on the cap bank calculation at the bottom of Page F-10. The amount entered for cap bank from 2014 does not match the district's levy cap certification for 2015. I have attached the certification for your reference. In order to correct the error, you must enter the amounts from the attached levy cap certification for 2012, 2013 and 2014 into the "Information Sheet" tab in the Excel workbook (cells B13, B14 and B15, respectively). After the correction is made on the information sheet, the amounts at the bottom of Page F-10 should agree to the attached levy cap certification. If you have any questions, please let me know.

# 2015 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

## Dennis Township #2 (Fire District Name and Number)

**FISCAL YEAR: January 1, 2015 to December 31, 2015**

*Answer all questions below. Attach additional pages and schedules as needed.*

1. Complete a brief statement on the 2015 proposed Annual Budget and make comparison to the 2014 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The 2015 proposed budget reflects a 2% increase in revenue to be raised through taxation from that of 2014. We are also taking the exclusions, new ratable and cap bank money in order to increase equipment for the purchase of air bottles. LOSAP was decreased to actual paid in 2014. All other line items have been increased or decreased slightly mainly to pay the bond and interest on the new truck. The decrease in our reserve for future capital outlays is caused by the current year truck principal and interest payment.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised from taxation is budgeted to increase 5.9% or \$14,895. This is not expected to have a significant effect on the local tax rate. The proposed budget should have no effect on the unrestricted fund balance and the restricted fund balance will increase due to the proposed reserve.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum. The maximum allowed to be raised by taxation on the Levy Cap Summary has been complied with.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation. n/a

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years. n/a

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit. n/a

7. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts. n/a

8. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

Total Assessed Valuation of District	\$ 338,952,600
Proposed Tax Rate per \$100 of Assessed Valuation	\$ .074

9. Is the Fire District providing for a first year funding appropriation to establish a length of service award program (LOSAP) in this year's budget subject to public referendum thereof?

No	X	Yes		If yes, how much is appropriated?	\$
----	---	-----	--	-----------------------------------	----

If the public question is defeated, is the Board of Commissioners aware that the budget must be amended to delete the LOSAP appropriation amount and that the Amount to be Raised by Taxation to Support the Budget must be reduced by a like amount?

No		Yes
